Message from the Principal

Thank you for the great year at Earl Le Gette. I congratulate the students, staff and families for a job well done. I wish you and your family the best summer ever.

Help Wanted with the School Folders that go home at the beginning of the coming school year.

We need someone to oversee putting together the back-to-school folders in August. This requires coming in the week before school starts and copying information for the office, and then meeting with a group of around 8 people to put the folders together a day or two during that same week. Please call Selena McKinney if you are available the week before school to oversee this task.

Art Docent Thank You

The next time you take your child to a museum you may be surprised by their art knowledge. Le Gette Elementary is very fortunate to have so many wonderful parent and family volunteers in the Art Docent program. Once a month, all year long, a volunteer has been facilitating the district art program for your children. The students are presented fine art and given technique and art history information. The students then follow-up in the classroom with an age appropriate art project or creative process. This could not happen without the dedication and preparation of every one of the following docents... **THANK YOU!!!!**

Reflections

The theme for 2007/2008 school year will be
"I Can Make a Difference by...."

Over the summer, ponder what this means to you and how you can put the theme into a work of visual art, photography, musical composition, dance choreography, film, or literature. We will keep you posted next year!

Jackie Sims and Cathie Andrews, Reflection Co-Chairs

Lost and Found

PLEASE stop by to see if your child has any items in the lost and found. There are lots of nice things that have been found on campus. The leftovers will be going to the district clothes closet after June 8.

SUMMER REMINDERS

Please keep using your Raleys/Safeway/Alberstons cards over the summer. This year we earned over \$3000 from participating families!!!

We also earn eScrip funds over the summer for any shopping/travel families purchase on credit cards registered on escrip.com. Please take a few minutes to register your cards if you have not already done so. Your transactions are totally confidential; we only see the funds that our school earns.

Thank you to everyone who helped raise funds for our school. If you have questions about either of these programs, please call Saralin Allin at 965-6754.

Classified Employee of the Year Recognition

Bryan Whitaker, our Head Custodian, has been nominated for this prestigious award. We wish him well in the selection process.
